WHERE TRANSFORMATION HAPPENS

Here's real examples
of what
staff resolve through
Leadership Coaching...

“My team keeps missing deadlines and I don't know how to create an accountability culture in our company.”

Senior Leader- Private Company UK

“I am scared as I have transitioned into a new leadership role and I am finding it tough to create new boundaries with the team. They still see me in my 'old role'.”

Newly promoted Team Leader-
Not for profit organization NYC

“I really want to create an ownership culture-mentality amongst my people, but they just seem to want to ask permission for even small tasks or do only what is directly asked of them.”

CEO- UK social enterprise

“I really want to give more honest feedback to people, but I don't want to be seen as ‘the bad guy’ or hurt people's feelings”

Team Leader
Scottish Government Agency

“I'm struggling to work effectively with somebody on my team.”

Head of Department - Home Office

“I'm losing valuable talent from my team. I'm frightened to confront some of the collective behaviour & mindset traits that maybe causing people to leave.”

Education Leader- Hull

“I'm stressed and anxious all the time. I never switch off.”
